

Mouth Fresheners & Yummy Digestives

Natural Consumer Care Marketing Pvt. Ltd.
Jaipur (India)

ABOUT US

History has seen many a dream turn into a passion.. . the year 1964 marked the change when our product of family specialty picked immense demand and became a product of zealous pursuit for business

Living up to the demand, we entered manufacturing and distribution of aromatic supari (betel nut s), tangy churans (digestives) and mouth fresheners of superior quality and exquisite packaging for convenience. We have also obtained a respectable credit rating registered with **D & B**.

The rapid market hold had us look beyond shores and expand our domain with export of our products. Today we have various products of specialty that are produced under different labels and marketed under the banner of Natural Consumer Care Marketing Pvt. Ltd.

Our group is an assemblage of the following:

- ▶ **Shakun Ayurved Pvt. Ltd.**, manufactures Ayurvedic Churans (Yummy Digestives) and mango pulp products under the brand name Dilbahar's & Funtush.
- ▶ **Vishod Fresheners Pvt. Ltd.**, manufactures scented supari (Betel Nut) and Mouth Fresheners under the brand name "Dizzle"
- ▶ **Shyam Pack Mark Pvt. Ltd.**, manufactures mouth fresheners under the brand name Funtush.
- ▶ **Bagla & Co.** deals in retail and wholesale.
- ▶ **Natural Consumer Care Marketing Pvt. Ltd.** markets and distributes all the above products along with a few other products.

OUR BRANDS

CHURAN (Digestives)

Digestives were the traditional Indian household preparations which were not only flavoured but also had medicinal usage for digestive troubles. As tasty as they are, Digestives are absolutely irresistible. These Churans, as they are generally known in India, are a mixture of various herbs and spices put together in the right proportion.

SCENTED SUPARI

Betel nuts, popularly known as Supari in India, are traditional Mouth Fresheners which are manufactured using various perfumes and flavors. They have a special place in Indian rites and ceremonies also. The botanical name of supari is Piper Betel and is also known as Chavica Betel, Artanthe Hixagona. Betel nut also has its own position in medicinal applications.

Quality is not an act, it is a Promise

Obtaining international standards of quality has not been just a coincidence but a continuous endeavor. Since we deal in edible products we are extremely cautious and maintain cleanliness at all stages using hygienic manufacturing procedures. Our motto is 'Eat Healthy & Serve Healthy', thus we encourage careful selection of raw material with minute monitoring of processing and packaging.

Our products are manufactured under ISO 9001:2000 and GMP certification and we maintain the stature of a reliable name in local, national and international market. We cater to not only individual needs but also spread our efforts to serve the retail chains in India and abroad. Amongst renowned names, some of our esteemed clients are **Walman, Reliance, Spencer's, Carrefour, Bie Bazar, More.., Hyper City, Metro, Max Hyper, Amazon, Flipkart, Snap Deal** etc.
