ABOUT US

Our founders Aarti and Aditya launched Taali to spread awareness of the Indian Superfood, Makhana (Water Lily Pops) to the rest of the world.

Taali launched in 2018 and has since redefined the meaning of superfood snacking in the United States and multiple other countries around the world. With its amazing product range and all the equally delicious flavors; Taali is now one of the largest makhana brands in the United States.

Taali now has a large portfolio of innovative snacks ranging from **Protein Puffs, Makhanas and Peanuts** and is one of the fastest growing snack brands in India.
